

Ashoka University Investment Policy

The investment of funds is controlled by the Finance Audit Projects Committee. The Committee normally meets ten times a year and reports through the Governing Board of the University. The Pro-Vice-Chancellor (Administration, HR & Finance) and the Director, Finance are permanent attendees of the FAPC.

Investment avenues are regularly discussed & resolutions are executed as per the resolutions of the FAPC Meetings.

The investment policy objective is to manage the cash flow in such a way that the funds so invested can help acquire assets for the growth of the University. The FAPC decides on the broad principles of funds to be invested. Currently, the investment philosophy is to invest only in Fixed Deposits of reputed banks.

While the guiding principle of Ashoka's is to conserve capital & generate return, whether through income or capital growth, with which to further the work of Ashoka; The University believes that in investing its funds, regard must be made to social, environmental and governance issues.
