**Online Education**

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.	<p>Ashoka University made extraordinary efforts to ensure the timely completion of syllabi for all courses and programs in the academic year 2021-2022. In 2020-2021, Ashoka had been the first higher education institution in the Delhi NCR to transition to 100% online classes in response to the Covid-19-related campus closure, and this process was continued until the campus re-opened in March 2022. From March to August 2022, a hybrid model was followed, with in-person as well as remote class sessions; some classes were run in person and were simultaneously made available through remote access through the use of specialised video and audio equipment. In Summer 2022, students based at the Ashoka campus were given the option to join a virtual class where they were joined by students at Princeton University. The fully online classes continued smoothly through Zoom, Google Classroom and other Learning Management Systems, without any disruptions to the annual calendar. Economically vulnerable students at Ashoka are always given laptops for academic use, and during the pandemic period, all deserving students were given reimbursements for dongle purchases, data use and upgrades, so that no student was left in a position where they could not access the internet for their classes.</p> <p>The faculty addressed student concerns by adapting and rescheduling exams for the online mode and offering extended timelines to complete online assignments. They also held extra classes and special office hours remotely, to ensure that all necessary course materials were covered. Some faculty allowed asynchronous classes and recorded their lectures so that students who were affected by poor internet connections could catch up with course material. Along with reading materials, students were provided other back-up materials such as notes/slides/online links/recordings to supplement their remote learning experience. In cases where students could provide clear proof that their studies were affected when they or someone in their immediate family suffered Covid, the Office of Academic Affairs (OAA) itself granted extended submission deadlines and worked with faculty to ensure that these deadlines were maintained. The Ashoka Centre for Well Being (ACWB) and the Office of Learning support worked with faculty and the Office of Academic Affairs to offer affected students various accommodations, including extended deadlines, extra time on exams and other forms of support, to facilitate the timely and satisfactory completion of all program requirements. The ACWB also ran special online sessions offering students mental-health support. The OAA offered and continues to offer, students online meeting appointments to discuss their academic trajectories and degree completion requirements. Students are provided with physical as well as e-copies of their transcripts and degree certificates, to facilitate their application processes for further studies or employment.</p>
